

Supplementary statement to Lancashire Health and Wellbeing Board's Pharmaceutical Needs Assessment

Date Pharmaceutical Needs Assessment published – October 2022

The Regulations state that supplementary statements can provide updates to the Pharmaceutical Needs Assessment (PNA) only in relation to changes in the availability of pharmaceutical services. Supplementary Statements cannot provide updates on pharmaceutical need. This can only be achieved through a review of the PNA. The following pharmaceutical services currently contained within the PNA have been identified as needing updating. This updated information supersedes some of the original information within the PNA and should be read in conjunction with that document.

Consolidation of two pharmacies into one

Pharmacy	ODS	Effective from
Closing: O'Brien's Chemist Ltd T/A Mill Lane Pharmacy 6 Mill Lane, Burscough, Lancashire, L40 5TJ	FE584	20.04.2024
Remaining: O'Brien's Chemist Ltd T/A Burscough Pharmacy 50-52 Liverpool Road North, Burscough, Lancashire, L40 4BY	FQJ64	20.04.2024

It is the opinion of the Lancashire Health and Wellbeing board that the removal of this pharmacy from the pharmaceutical list does not create a gap that could be met by an application offering to meet a need for, or secure improvements or better access to, pharmaceutical services.

Supplementary Statement prepared by Lancashire County Council Business Intelligence and issued by Dr Sakthi Karunanithi, Director of Public Health, on behalf of Lancashire Health and Wellbeing Board.
