

Burnley College / Vision Park NWAAT

Statement of Reasons

"The purpose of this proposed Order is to tidy up and confirm the parking restrictions which have been present in the area surrounding Vision Park since its development in 2017. Only these restrictions are included in this proposal and no new restrictions are currently being proposed other than those which currently exist on site.

The restrictions are required to ensure access for HGVs to the business park as well as a local bus route. Additionally, this proposal addresses safety concerns and incidents which have occurred as a result of parked vehicles in the area which has high pedestrian activity due to the college.
