

Statement of Reasons
Bus Stop Clearway
Garstang Road, Great Eccleston

These proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. The proposals are being funded fully by the developer and are linked to the new housing development for 345 new dwellings and the associated planning conditions.

The purpose of the Bus Stops clearway is to support the upgrade of the existing bus stops to a quality bus stop. This is to allow the buses to pull in and out safely and allow effective enforcement.

A raised boarding platform will also be installed to ensure safe boarding and alighting of mobility impaired passengers and ensure the bus stops are fully mobility compliant.
