The gates gave a strong impression that you are entering a private drive.

If we had not been following a footpath off the hills and could see a known road through the gate I would have been unwilling to go through it.

As the ~~gate~~ footpath was there long before the houses were built what right have the residents got to put gates across such a footpath?

I hereby certify that, to the best of my knowledge and belief, the facts that I have stated are true.

I am/~~am not~~ willing to attend a hearing, public inquiry or court to give evidence on this matter, if this should prove to be necessary.
