From Commercial St the gates give the impression that the footpath is now private land. We approached from the other side so knew we were on the footpath and continued through the closed gates. If we had have been on the other side, we may not have gone through and so spoilt our day.

People knew there was a P.R of Way when they bought the houses - they can't just make their own rules. The gates need to be removed to allow free access. Is there not a law to prevent gates being put over P.R of W?

I hereby certify that, to the best of my knowledge and belief, the facts that I have stated are true.

I ~~am/am not~~ willing to attend a hearing, public inquiry or court to give evidence on this matter, if this should prove to be necessary.
