

BSIPS 125 Superbus – Preston to Chorley
A6 Preston Road, - Whittle le Woods

STATEMENT OF REASONS

The purpose of the proposed Bus Stop Clearway is to facilitate the safe passage of vehicles and pedestrians, providing Equality Act (2010) compliant bus stops.

Buses cannot safely access a suitable boarding point at the existing shelter position and subsequently obstruct traffic.

A wider footway and a relocated bus shelter is to be offered at the existing layby on the west side of Preston Road and the introduction of a Bus Stop Clearway will prevent parked vehicles from obstructing kerbside boarding / alighting and improve bus journey times and consistency.
