

Course Programme Summer Term 2025

Foundation,
Primary, and
Special Course
Programme

Welcome to the Summer Term, which, as always, will be an extremely busy one!

To help you plan your CPD for this term, we have created this short brochure, outlining our offer until the end of term in July. You will see that we have a wide variety on offer, with many new sessions, alongside, termly favourites, such as subject leader networks and great teaching networks.

As you will all know, summer is also a term of all primary statutory assessment. Again, we have a wide range of options available for you, from briefing sessions to moderation, across all primary phases.

Finally, I am delighted to be able to direct you to our offers section! At LPDS, we are conscious of the challenges schools are facing in terms of budgets. Alongside our general, excellent value for money CPD, we have prepared a selection of sessions, across different curriculum areas at reduced rates.

Have a fantastic term, and thank you again for your continued support.

Curriculum and Assessment Coordinator
