

# Brake's Kids WALK

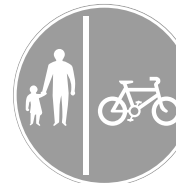

for safe and healthy journeys

## Know the signs

You might see these road signs on your journey to school. What do you think each one means? Write down your answers then check with a grown-up.

STOP

Did you know...?

Some towns have introduced three-dimensional (3D) zebra crossings to encourage drivers to slow down. The crossing is actually flat but an optical illusion makes it look as though the zebra crossing is floating in the air.
