- 1.3. The Supplier shall not deliver the Goods in instalments without the Authority's prior written consent. Where it is agreed that the Goods are to be delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all, or any defect in an instalment shall entitle the Authority to the remedies set out in paragraph 1.5.
- 1.4. In respect of Goods, proof of Delivery will be established through signature of the Authority (see paragraph 4) on a Delivery note clearly detailing the Goods and the quantity Delivered.
- 1.5. Where the Supplier fails to deliver the Goods in accordance with this Contract (or as otherwise required by the Authority in writing) and/or fails to deliver the Goods to the Delivery Location by the Due Date and Time (other than as a result of the act or omission of the Authority) and/or the Goods do not comply with the Supplier's warranty at paragraph 7.1, the Authority may (in addition to any of its other rights or remedies, and whether or not the Authority has accepted the Goods) exercise any one (1) or more of the following remedies:

- 1.6. Any Delivery note or other document accompanying a Delivery which is signed by the Authority is simply an acknowledgement of Delivery and will not constitute an acceptance by the Authority that the Goods comply with this Contract. The Authority will not be considered to have accepted any Goods until after it has had a reasonable time to inspect the Goods or, if later, following a reasonable time after any latent defect in the Goods has become apparent.
- 1.7. If the Supplier notifies the Authority that it will be late delivering Goods (having regard to the original Due Date and Time), the Authority may (at its option) agree a revised Delivery date with the Supplier. Any revised Delivery date must be agreed by the Authority in writing and shall not affect or prejudice other terms and conditions applicable to the relevant Order. - 1.11. The Authority may conduct further inspections and tests after the Supplier has carried out its remedial actions.
- 1.12. For the avoidance of doubt, Goods substituted by the Supplier in place of the Goods set out in the Specification (and/or which are to be satisfied by the Goods referred to in the Supplier's Tender) are not permitted without the prior approval of the Authority. Unless otherwise agreed by the Authority, any such substituted Goods must be of equal or better quality and will be charged at no more than the price for the Goods which are being substituted.

2. Risk Assessment of Delivery Location(s)

- 2.1. The Supplier shall be deemed to have inspected the premises of the Delivery Location(s) and acquainted itself with the Delivery Location(s) in relation to their obligation to deliver the products and accordingly no claim by the Supplier for additional payment or extension of time will be allowed on the grounds of any matter relating to the premises of the Delivery Location(s).
