

# Lancashire Early Years Service

## Chat, Play, Read

**Start chatting to your baby while they're in the womb.**

**Read books with your baby from the moment they're born.**

**Use a sing-song voice with your baby – they love to listen to the sounds you are making!**

**Get down on your child's level so you can see and hear each other.**

**Give your child time to reply to your questions – up to 10 seconds.**

**Follow your child's interests and join in their play. Make everyday moments playful, such as bath time.**

**Bedtime is a great time to snuggle up and read a story together. But remember, you can read anytime, anywhere!**
