## This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Lancaster, Wyre and Fylde areas.

The policy for admission to Community and Voluntary Controlled Schools is listed on page 2.

For Voluntary Aided, Foundation Schools and Academies a **summary** of the admission policy is provided in this booklet under the entry for each school. Some schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A **full** version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Similarly, you are advised to contact Primary Schools direct if you require details of their admissions policies.

Admission numbers in The Fylde and North Lancaster districts may be subject to variation.

Where the school has a nursery class, the number of nursery pupils is in addition to the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE

## Definitions for Voluntary Aided and Foundation Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

#### **DISTANCE**

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

#### **PARENTS / FAMILY MEMBERS**

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

#### MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

#### LOOKED AFTER CHILDREN & PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2021] states that within the oversubscription criteria, the highest priority must be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

This includes children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4).
- (1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school
- (2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders).
- (3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.
- (4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

In the event that during the period specified for attendance at worship the churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the churches have been available for public worship.

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September. These will on occasion increase where strategic place planning issues allow and / or where decisions can be implemented in time for the effective co-ordination of the admission process.

## Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

- 1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
- 2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
- 3. Children eligible for services premium, then
- 4. Children with older brothers and sisters attending the school when the younger child will start, then
- 5. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

## When a primary school with a Geographical Priority Area (GPA) is oversubscribed the following priorities will be applied in order:

- 1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
- 2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
- 3. Children eligible for services premium, then
- 4. Children living within the school's Geographical Priority Area with older brothers or sisters attending the school when the younger child will start,
- 5. Children living within the school's Geographical Priority Area, then
- 6. Children living outside the school's Geographical Priority Area with older brothers or sisters still attending the school when the younger child will start then
- 7. Children living outside the school's Geographical Priority Area below.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Parents who wish their application to this Catholic School to be considered against the priority faith criteria should also complete the School's supplementary information form.

If within any category there are more applicants than places available, priority will be given on the basis of proximity to the school measured by the walking distance along public highways between the front gate of the family home and the main entrance of the school.

In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

#### **Preference Scheme at Castle View Primary Academy**

When we are oversubscribed on parental preferences, then the following priorities apply in order:

- Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
- 2. Children for whom the Academy accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
- 3. Children with older brothers and sisters attending the school when the younger child will start, then
- 4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

#### Tie breaker:

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Hambleton Primary Academy	Church Lane Hambleton Poulton-le-Fylde FY6 9BZ 01253 700331	Mrs H Wood	218	30

# <u>SUMMARY OF POLICY</u> ▼ This is an Academy – please contact the Academy for full admission details. For this school, please apply online at <u>www.lancashire.gov.uk/schools</u>

The Academy Trust will not place any restrictions on admissions unless the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of students with Education and Health Care Plans where Hambleton Academy is named, the criteria will be applied in the order in which they are set out below:

- Looked after children and previously looked after children. This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 2. Medical, Social or Welfare reasons. Where there are exceptional serious, sensitive and compelling circumstances that are directly relevant to the academy, priority may be given. Professional evidence to demonstrate exceptional or compelling reasons why only this academy can cater for a particular child's needs on any of these grounds must be provided with the application. The evidence must set out the reasons and level of risk to the child or family and why the academy is the only suitable school; plus any difficulties which would arise if the child had to attend an alternative school.
  - It should be noted that all schools can make provision for special educational needs, and can also manage common conditions e.g. asthma, epilepsy and diabetes.
  - Only exceptional reasons directly relevant to the academy will be considered. Priority will be given to the child only if the submitted evidence unequivocally proves the circumstances and demonstrates why any alternative school would be unsuitable. Parents are responsible for providing the evidence.
- 3. Children who will have a sibling in attendance at Hambleton Academy at the time of transfer.
- 4. The children of staff who have been employed by Hambleton Primary Academy Trust for two or more years, or who meet a skills shortage.
- 5. Distance: All other pupils, with priority given to those that live nearest to Hambleton Primary Academy. The measurement will be taken in a straight line from the centre point of the residence to the centre point of the Academy, using the Local Authority's geographical information system (GIS). Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

#### Tie Breaker

Where there is oversubscription within any of the determined criteria, the priority for places will be decided in a straight-line distance measure (Centre point of the residence to the centre point of the Academy), using the local authority's measuring system. The nearest to the Academy will have priority for admission.

#### Additional Information - Reception Admissions - twins/multiple births:

Where there are twins or triplets wanting admission and there is only a single place left within the admission number, then the Trust will exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins and all triplets even when this means breaching infant class size limits. This may also apply to children who are siblings within the same year group.

- 4. Other baptised Roman Catholic Children.
- 5. Other Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 6. Children with exceptional and specific educational, medical, social or emotional needs relevant to the school, provided that appropriate written evidence from a suitably qualified professional is submitted with the application.
- 7. Other siblings of children at the school who will still be on the school roll at the time of admission.
- 8. Catechumens and members of an Eastern Christian Church.
- 9. Baptised Children of other Christian denominations.
- 10. Children of other world faiths.
- 11. Other Children whose parents wish them to be educated at Holy Family Catholic Primary School.

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

<u>SUMMARY OF POLICY</u> ▼ This is an Academy – please contact the Academy for full admission details. To apply for a place at this school, please apply online at www.lancashire.gov.uk/schools

#### When the school is oversubscribed on parental preferences, then the following priorities apply in order:

- Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
- 2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, then
- 3. Children eligible for services premium, then
- 4. Children with older brothers and sisters attending the school when the younger child will start, then
- 5. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

## When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2026 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2026.

Unfortunately offer information cannot be given out by phone.

#### Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

#### To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' the payment you receive for a further four weeks after you finish work

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.

This booklet was prepared by the Pupil Access Team September 2025

#### **NOTES**

# Catching the school bus

Please behave sensibly and responsibly when travelling to and from school for your own safety. If you misbehave you may have your travel pass taken away or be excluded from using school bus services.

- Be at the stop 5 minutes before. Queue sensibly and keep well away from the kerb. Give a clear signal so the bus driver knows to stop. Make sure you are boarding the bus at the correct stop stated on your pass.
- Pay your fare and try to have the correct change. Keep your ticket to show the inspector and/or for your return journey.
- If you use a bus pass/season ticket, it must always be presented to the bus driver allow time for it to be examined. Bus passes/season tickets are not transferable and should only be used on the service for which they are assigned.
- If you cannot show a VALID pass/ season ticket you must pay your fare. The information marked on the pass/season ticket must be clearly legible to the driver. Lost or damaged passes/season tickets can be replaced for a fee by contacting the county council on 0300 123 6738.
- Misuse and fraudulent use of travel passes is treated very seriously and could lead to prosecution.
- Take your seat, please wear a seat belt if one is provided. Don't take up more than one seat. Place bags in the luggage compartment/under your seat/on your knees. Don't place bags on seats or in the aisle.
- If all seats are taken, you should stand sensibly behind the driver area and use grab rails where available. You should not stand adjacent to emergency exits, on staircases or upstairs on a double deck vehicle. Do not walk around during the journey.

- Antisocial behaviour/damage to the bus or anyone's property/bullying on the bus, is taken very seriously and can be reported to the police. Please report incidents to the driver, a teacher or a parent. Do not throw anything whilst on the bus, at the bus or from the bus.
- All bus and taxi services have No Smoking Policies including all e-cigarettes and vaping devices. Please be aware that vaping or smoking may result in sanctions and removal of your pass/season ticket.
- Respect others at all times and never distract your driver.
