Definitions

For Voluntary Aided, Free Schools, Foundation Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

Distance

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance. Explanations of these terms can be found in the main booklet.

Parents/Family Members

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

Medical/Social/Welfare

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

Looked After and Previously Looked After Children

The School Admissions Code [December 2021] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

In the event that during the period specified for attendance at worship the churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the churches have been available for public worship.

Information about Admission to Secondary Schools in Lancaster, Morecambe, Wyre and Fylde

This information is about secondary schools in Lancaster, Morecambe, Wyre and Fylde. Similar information about other areas is available from Area Education Offices listed on the first page of the booklet "Admissions to Lancashire Schools – Information for Parents". It is quite possible for you to state a preference for schools in different areas. You should, however, only submit one application form.

In this information, you will find brief details about each school including the admission number. This is the number of children who can be offered places at the school in September 2026. Any further information you may need is available if you contact either the schools concerned or the Area Education Office.

About the information provided on each school

You are given the basic details about each school – name, address, Headteacher's name etc., plus the total number of pupils who attend. You will be particularly interested in the number of places available for September 2026 – **the admission number**.

For Voluntary Aided Schools, Foundation Schools and Academies please note that this booklet contains summaries of the policies only. You must approach the school for a copy of their full admissions policy if you are thinking of applying.

For Community and Voluntary Controlled Schools there is additional information given below the main school details. This refers to the intake of pupils in September 2025. On the left-hand side, it states the number of places that were available for that year (the admission number) and the number of preferences that were received for the school.

For Voluntary Aided Schools, Foundation Schools and Academies similar information is given about the number of preferences expressed. You are also given some details of the admissions policy. This is individual to each school. Details about how the criteria were applied can be requested from the individual school.

Please note that for secondary schools in Lancashire's co-ordinated admission scheme, information is given about preferences expressed for 2025. Given the variety of Admission Authorities involved and additional schools outside the co-ordinated system, the figures may need further interpretation for individual schools.

Parents for whom the previous level of application is an important issue are advised to discuss the matter with the Admissions Team at the Area Education Office or with the individual school concerned.

Policies are accurate at time of printing and are subject to change should they be adjudicated by the OSA.

Parents are advised to look at the LCC website in case of change:
www.lancashire.gov.uk/schools

Admission Policy & Criteria for Community Schools in the Lancaster, Morecambe, Wyre and Fylde districts

(This can also apply to schools that are in transition to Academy status)

An admission number will be published showing the maximum number of pupils that the school will admit in the Autumn Term 2026. Parents are given the opportunity to express three preferences for a secondary school. Published criteria are used to decide which children should be offered the available places. In secondary schools an equal preference system operates, whereby the three parental preferences are given equal status. Each preference will be considered equally against the admissions criteria.

When a secondary school is oversubscribed the following priorities apply in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Local Authority accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned. (See note (i) below) then
3. Children eligible for services premium, then
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start, (see note iii below).
5. Children living within the school's geographical priority area, then
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start (See note (iii) below) then
7. Children living outside the school's Geographical Priority Area (see note (iv) below).

Notes

- (i) The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without a statement who have special needs.
- (ii) As required by law, all children with a Statement of Special Educational Needs/EHC naming a school will be admitted before the application of the over-subscription criteria. Children who have a statement for special needs have their applications considered separately.
- (iii) Brothers and sisters include step-children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration may be given to applying this criterion to full brothers and sisters who reside at different addresses). The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16+.
- (iv) The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g., Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw. The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by Ordnance Survey data).
- (v) A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, (including after a child has accessed a school place).
- (vi) The Local Authority will keep waiting lists for all Lancashire schools until 31 August 2026. These are kept in priority order using the school's published admission criteria. From 1 September 2026 for one school term only waiting lists will be retained by individual admission authorities (the Local

Authority for community and voluntary controlled schools and individual voluntary aided and trust schools will each retain their own list).

(vii) Children will not normally be able to start school other than at the beginning of the term unless they have moved into the area or there are exceptional circumstances.

(viii) Applications for school places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.

Application forms received after the published closing date, will only be considered at that time if the following conditions apply:

(a) if the number of preferences received for the school is below the published admission number or:

(b) there are extenuating circumstances justifying a late application.

These may include:

(a) parents moving into the County after the closing date;

(b) parent/carer illness which required hospitalisation for the major part of the period between the publication of the composite prospectus and the closing date for applications.

(ix) Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

(x) the highest priority **must** be given to looked after children¹ and children who were looked after, but ceased to be so because they were adopted² (or became subject to a residence order³ or special guardianship order⁴). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after. This includes children who are legally adopted from overseas. Relevant legal documents must be provided to evidence the adoption.

The Authority has a duty to co-ordinate admission arrangements for all Lancashire maintained schools.

The Authority will ensure that all Lancashire parents whose children are transferring to reception or Year 7 classes, receive the offer of one secondary or primary school place on the agreed date.

¹ A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

² Under the terms of the Adoption and Children Act 2002. See section 46 (adoption orders).

³ Under the terms of the Children Act 1989. See section 8 which defines a 'residence order' as an order settling the arrangements to be made as to the person with whom the child is to live.

⁴ See section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

SUMMARY OF POLICY ▼ This is an Academy. Please contact the academy for full admission details.

The Governing Body operates a system of equal preferences under which they consider all preferences equally and Local Authority notifies parents of the result. In the event that there are more applicants than places, after admitting all children with a Statement of Educational Need or Health and Care Plan naming this school, the Governing Body will allocate places using the criteria below, which are listed in order of priority:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Brothers or sisters currently attending the school. This applies to brothers and sisters of those children who are currently on the school roll and who will be continuing into the next academic year. Note: "brother" or "sister" includes step, half, foster, and adopted siblings living at the same address.
3. Children of staff at the school. This applies to all staff, full and part-time, who are employed by this school on a permanent contract of employment with the academy in either or both of the following circumstances:
 - a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Geographical priority area. The distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. The address point is within the body of the property and usually located at its centre.

In the event that places remain unfulfilled after application of the criteria 1-4 places remaining places will be allocated according to the straight-line distance from home to school, nearer addresses having priority over more distant ones.

Carnforth High School's geographical priority area is:

Parishes of Silverdale, Yealand Redmayne, Yealand Conyers, Warton, Priest Hutton, Borwick, Arkholme with Cawood, Whittington, Burrow with Burrow, Leck, Ireby, Tunstall, Cantsfield, Carnforth, Bolton-le-Sands, Over Kellet, Nether Kellet, Halton with Aughton, Gressingham, Claughton, Hornby with Farleton, Melling with Wrayton, Wennington Roeburndale, Wray with Botton and Tatham

TRANSPORT (YEARS 7-11) ▼ Please see *Information for Parents* booklet or <http://www.lancashire.gov.uk/schools>

Parents in any doubt over the distance between home and school for the provision of transport are asked to check with their local Area Education Office. This may be particularly relevant if you live close to a county border.

Tie-breaker

Lancashire County Council measures the distance in a straight line (radial) between the applicant's home address point and the address point of the school, co-ordinates provided by Ordnance Survey data.

Children who live nearest from home to school will receive priority for any criteria that are oversubscribed. If the distance between home and school is the same, which includes the same geographical property reference (such as a block of flats), random allocation is used as a tie-breaker. Lancashire County Council's School Admissions Team will undertake the random allocation process in the presence of a school representative at the Council Offices.

SUMMARY OF POLICY ▼ This is a Voluntary Aided school. *Please contact the school for full admission details.*

The school has an over-subscription form which is used to provide evidence to the school of various admissions criteria that the school require when ranking the applications. If the form is not completed it may be that your child is placed in the incorrect criteria and is not allocated a place in the event of the school being oversubscribed. This form is available to complete online on the school's website or as an appendix to their admissions policy.

In the event that there are more applicants than places, after admitting all children with a statement of educational need or EHC plan naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

- 1) Baptised Catholic looked after children or children who were previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 2) Baptised Catholic pupils.
- 3) Non Catholic looked after children or children who were previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 4) Non Catholic brothers and sisters of children in attendance at the school at the time of transfer in Years 7 – 11.
- 5) Children of current staff members.
- 6) Non Catholic children who attend associated Catholic primary schools.
- 7) Non Catholic children of other Christian denominations that have been baptised.
- 8) Children of other faiths whose membership is evidenced by a religious leader.
- 9) Other non-Catholic children.

If there are more children in any of the individual categories than there are places remaining, then those pupils who live nearest to the school by a straight line (radial) measure will have priority. The distance is measured using a geographical information system and the measurement is taken from the centre point of the property to the centre point of the school. In the event of a tied distance measurement between address points the Local Authority's system of a random draw will determine which address(es) receive the offers(s).

SUMMARY OF POLICY ▼ . This is an Academy. *Please contact the academy for full admission details*

In the event that there are more applicants than places, the Governing Body will allocate places using the following criteria, which are listed in order of priority:

1. Looked after and previously looked after children. This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children of staff at the Academy.
3. Places will then be ranked using the following points system which reflects the fact that Ripley St Thomas is a Voluntary Aided Church of England Academy:

Points will be given:

- a) for attendance by the parent or child* at public worship (or, in the case of a child, Sunday School) at a Trinitarian church which is a member of one of the following on 1st September in the year of application for admission to the Academy: Churches Together in England or Free Churches Group, the Evangelical Alliance, North West Partnership of Churches, or is included on a list of other churches approved by the Governing Body (to a maximum of 30 points as detailed in the table below). Attendance must be current at the point of application.

This **does not include attendance with school where this is part of the normal school day, or attendance at mid-week youth groups, prayer groups or bible study groups.*

	Over 2 years	Between 1 and 2 years
Weekly/Fortnightly	30	20
Once per month	15	10

The list of Churches Together in England can be found on the website www.cte.org.uk. Membership of the equivalent bodies in Northern Ireland, Scotland and Wales are accepted. Members of the Free Churches group can be found at www.freechurches.org.uk. Members of the Evangelical Alliance can be found at www.eauk.org. Members of the North West Partnership of Churches can be found at www.northwestpartnership.com.

Other churches approved by the Governing Body are: Capernwray Evangelical, Kings Community Church, Morecambe Community Church, Morecambe Full Gospel Church.

Church attendance must be verified by 31st October 2025 through the submission of a supplementary form, which is available from the Academy and which must be completed by the parent together with the appropriate member of the clergy and counter-signed by the latter. The clergy member, faith leader should return the form to the school. Separate supplementary forms should be completed for all churches attended on a regular basis in the last three years.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these

arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

- b) to children who attend any Church of England Primary School at the point of application (5 points).
- c) to children who attend any Church of England Primary School which is a member of the Bay Learning Trust (5 additional points).

The list of schools which are part of the Bay Learning Trust can be found here:

<https://www.baylearningtrust.com/our-academies-2/>

- d) to siblings of those children who are on roll at Ripley St Thomas Academy in Years 7 to 12 at the point of application (5 points). This is a one-off points allocation regardless of the number of siblings currently on roll.

Where two or more applicants achieve the same number of points under criterion 3, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre.

- 4. In the event that places remain unfilled after the application of criteria 1-3, remaining places will be allocated according to the straight line distance from home to the academy, nearer addresses having priority over more distant ones, as above.

The following oversubscription criteria will be applied if there are more applicants than places available.

Category 1 Looked after or previously looked after children including (This includes children who appear to have been in state care outside of England and have ceased to be in state care due to being adopted) who achieve the minimum level or above in the entrance test or who score up to and including 5% below the minimum level.

Category 2 Pupils who live within the school's priority catchment area, who are eligible for the Pupil Premium via Free School Meals, and who achieve the minimum level or above in the entrance test or who score up to and including 5% below the minimum level.

Category 3 Pupils who live within the school's priority catchment area and who achieve the minimum level or above in the entrance test.

Category 4 Pupils who live within the school's residual catchment area, who are eligible for the Pupil Premium via Free School Meals, and who achieve the minimum level or above in the entrance test or who score up to and including 5% below the minimum level.

Category 5 Pupils who live within the school's residual catchment area, are the sons of permanent members of LRGS staff and achieve the minimum level or above in the entrance test: A child's whose parent/carer is a current permanent member of staff employed for two or more years at the time of registration or who has been recruited to fill a demonstrable skill shortage. In this context a son means a natural child including an adopted child and/or foster child who lives at the same address as the member of staff.

The definition does not include contract staff. If a service has been "in house" and is subsequently "contracted out", children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff.

Category 6 Pupils who live within the school's residual catchment area and who achieve the minimum level or above the entrance test.

Applicants for day places who live outside the residual catchment area of the school and who achieve the minimum level or above in the entrance test will be considered as category 7. They can be admitted only if places remain unfilled from applicants in categories 1 to 6.

If the ranked test scores do not produce a clear outcome (i.e. two or more applicants in the same category achieve precisely the same score to tie for 164th place) the offer of a place will be determined by random allocation supervised by a person independent of the school.

Boarding places at 11+ The Trustees will also make available boarding places, up to the Published Admissions Number for boarding for boys who, in the considered opinion of the Trustees, can benefit from residential education and whose suitability on grounds of academic ability is established. Interviews will normally be arranged to assess the applicant's suitability for boarding. Trustees may also use supplementary information provided by the applicant's parents and information provided by the previous school, to help to assess suitability for boarding. Assessment of suitability may take place either before or after the applicant has sat the entrance tests.

1. Parents applying to Lancaster Royal Grammar School will need to complete a separate LRGS Application Form to enter for the 11+ Entrance Examination in addition to the Lancashire County Council "Common Application" Form. Parents must apply on both forms, either on-line or on the paper forms.
2. The LRGS On-line Application Form is available on the school web-site. The form should be completed and sent to the School to arrive by Monday 8th September 2025.
3. The Entrance Examination for LRGS takes place on Saturday 27th September 2025.
4. The results of the Entrance Examination will be sent electronically to parents on Wednesday 8th October 2025.
5. Parents who wish to apply to LRGS once the examination results have been published must list LRGS as one of their preferences on the County Form. Parents need to consider the order of preferences carefully, and to note that it will be impossible for LRGS to guarantee a place for a boy who qualifies based on the 11+ examination unless LRGS is entered as the first priority on the County Form.
6. The County Form should be completed online at the website www.lancashire.gov.uk Alternatively, the paper copy form can be returned to your son's primary school (or directly to the County if your son is not in a maintained school).

Where there are more applicants that have achieved the pass mark or MAEC than places available, after the offering of places to pupils with existing EHCP's which name the school in the section I, the following oversubscription criteria will apply in this order of priority:

- Looked after and previously looked after children who have achieved the pass mark or who score up to and including 5% below the pass mark or have achieved the MAEC.
- Applicants whose home address is located in the City of Lancaster at the time of application who are eligible for pupil premium and who achieved the pass mark or who score up to and including the 5% below the pass mark or who have achieved the MAEC
- Applicants whose home address is in the City of Lancaster at the time of application
- Children of staff members employed by Lancaster Girls Grammar School
- Applicants whose home address is outside of the City of Lancaster who are eligible for the pupil premium and who have achieved the pass mark or who score a maximum of 5% below the pass mark or who have achieved the MAEC
- All other applicants

Tie breaker

Where the number of eligible applicants within each over-subscription category above exceeds the number of places available, the order in which places are allocated will be determined by the rank order of applications.

Where there is more than one applicant with the same rank order then the order in which places are allocated will be determined by reference to the distance between the applicant's home address (as defined in this policy) and the address point of the school those living closer having higher priority.

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordinance survey data).

Where the distance between two or more applicants is equal (e.g. where they may live in the same block of flats), random lottery will be used to determine the order in which places are allocated, which will take place in front of a person who is independent of the school.

Registration for entrance test

Parents must register their child for the entrance test by returning the Registration Form and returning a copy to the School. The closing date for 2026 registration is noon on Friday 12th September 2025.

Entrance test date

The entrance test will be conducted on Saturday 27th September 2025.

1. Looked after children and previously looked after children. This includes any "looked after child" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. This criterion will also apply to children who were previously in state care outside of England and have ceased to be in state care as they have been adopted.
2. Medical, Social or Welfare reasons. Where there are exceptional serious, sensitive and compelling circumstances that are directly relevant to the academy, priority may be given.
3. Children who will have a sibling in attendance at *Garstang Community Academy* at the time of transfer.
4. The children of staff employed by *Garstang Community Academy*, this applies to all staff full and part time who have been employed for two or more years, or who meet a skills shortage.
5. Distance: All other pupils, with priority given to those that live nearest to Garstang Community centre point of the residence to the centre point of the Academy, using the Local Authority's geographical information system (GIS). Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

Tie Break

Where there is oversubscription within any of the determined criteria, then priority for places will be decided in a straight-line distance measure, (home to academy), using the local authority's measuring system. The nearest to the academy will have priority for admission.

Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

SUMMARY OF POLICY ▼ This is a Voluntary Aided school. Please contact the school for full admission details

When applications for admission to Year 7 exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit.

Twins/triplets will be considered as one unit, and places awarded based on the highest criterion applicable to the 'unit' application.

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. **The consideration of special medical, social or educational needs relating to an individual child.** Applications under this criterion should be backed up by any correspondence held, from the appropriate body that would support a claim under this criterion. E.g. G.P. SEN coordinator, Educational Psychiatrist. All correspondence will be treated in the strictest confidence.
3. **IN GPA (Geographical Priority Area) – The presence of an older brother or sister in the school (Sibling Rule).** This applies where the older brother or sister will be on the school roll at the time of entry into school.
4. **IN GPA (Geographical Priority Area) – Children living within the school's geographical priority area.**
5. **OUT OF GPA (Geographical Priority Area) – The presence of an older brother or sister in the school (Sibling Rule).** This applies where the older brother or sister will be on the school roll at the time of entry into the school.
6. **Children whose Parents are employed by the school,** where the member of staff has been employed at the school for two years or more at the time when the application for admission is made or where he/she has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
7. **Children who request admission to the school but cannot claim a place under any of the above criteria will be sorted by distance.** Those living nearest to the school will be afforded a higher priority. This is a straight-line measuring system and measures from the centre of the Main School Building to the centre of the applicant's house.

Criteria 2-7 will first be used for those whose addresses fall within the Geographical Priority Area before being used for those outside the Geographical Area.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria.

In the event of a tied distance measurement between address points the LA's system of a random draw will determine which address(es) receive the offers.

Places will be offered in accordance with the following order of priority:

- A. Catholic looked after and previously looked after children
- B. Other Catholic children
- C. Other looked after and previously looked after children
- D. Catechumens and members of an Eastern Christian church
- E. Children of other Christian denominations
- F. Children of other faiths whose membership is evidenced by a minister of religion or other religious leader
- G. Children who are not associated with a faith community but who currently attend one of our partner catholic primary schools, namely, St Wulstans and St Edmunds, Fleetwood; St Marys, Fleetwood; St Teresas, Cleveleys; Sacred Heart, Thornton; St Johns, Poulton; St Bernadettes, Bispham; St Mary, Gt Eccleston; St Williams, Pilling
- H. Children of staff
- I. Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the application will be placed at the top of the category in which the application is made.
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated by the local authority using a straight line (radial) measure from the centre of school to centre of home. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

A "previously looked after child" is a child who was looked after but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

Where there are more applicants for the available places within a category, then the distance from the main gate of the school to the Ordnance Survey address point for the home in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where applicants live across the River Wyre from the school distance will be measured to the centre of Shard Bridge or Cartford Bridge (whichever is the nearer), then the distance to the school added. Home to School Transport

Please see Information for Parents booklet or <http://www.lancashire.gov.uk/schools>

If the cost of getting your child from home to school and back is a consideration or concern in making your school preferences, please check the Home to School Transport Policy carefully or discuss your child's possible entitlement with the Area Pupil Access Team.

In September 2026, free school transport will be provided as follows:

General Policy

To qualify for free home to school transport, children of compulsory school age are required to attend the nearest suitable school, where the home to school distance (based on the child's address) using the shortest route is over 2 miles for children up to the age of 8 years. At the start of the academic year, after the child's 8th birthday, a reassessment will take place as children 8 years and over will only qualify for transport assistance if the shortest route is over 3 miles.

For Lancashire families, schools outside of their GPA (Geographical Priority Area) and those in other Local Authorities and districts will be considered when assessing eligibility for assistance for transport to school.

For those pupils attending faith schools, the Council previously granted partial assistance with travel costs if the pupil attended the nearest school of their faith. Since September 2018 transport assistance is only available if a pupil attends their nearest school or academy and meets the distance criteria.

Please note; if parents decide to send their child to a school that is not their nearest suitable school, then they will be responsible for the cost of transporting their child to that school/academy.

National Extended Rights Policy (Low Income)

If your child does not qualify for transport under the general policy (above), a national policy provides extended rights to children who are eligible for free school meals or whose parents receive the maximum level of Working Tax Credit (WTC) i.e. reduction to the income must be £0.00 on your award notice. This policy provides transport for:

Primary Children – age 8 but under 11 years, transport will be provided to the nearest suitable school where that school is more than 2 miles from the child's home.

Secondary Children – transport to one of the 3 nearest suitable qualifying schools where the school is more than 2 but less than 6 miles from the child's home OR transport to the nearest suitable secondary school preferred because of your religion or belief for children whose parents adhere to that particular faith, if the school is between 2 and 15 miles from home.

Concessionary Travel

If your child is not eligible for free travel you may be able to purchase a season ticket if there are spare places on a school transport service. Please contact the School Traveline for advice on 0300 123 6738.

In some cases it may be more cost effective for your child to travel on a public bus service and purchase a discounted period travel ticket direct from the bus operator.

You are strongly advised to visit our website for up to date information on the provision of any home to school transport or contact the Area Pupil Access Team (see contact details on page 1 for your nearest office).

For full details of the policy and general principles applying to free school transport please see our website www.lancashire.gov.uk/schools
