

Statement of Reasons

Having reconsidered objections and feedback of the points raised from businesses on Railway View Avenue, it is proposed to make a modification to the consulted proposals to reduce the length of No Loading at Any Time on the east side of Railway View Avenue to a length that is considered necessary to maintain the safety objectives of the loading ban whilst still maintain areas where loading and unloading is permitted.

REASONS UNDER Section 1 of the RTRA

- a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).
