Statement of Reasons

It is proposed to introduce a raised junction table on Moss Lane, at the junctions with Spring Crescent and the access road to the Leisure Complex. The purpose of the proposal is to raise the height and conspicuity of the mini-roundabout slowing traffic and allowing safe passage of pedestrians due to the increase in traffic from the new commercial developments on Millennium Way. The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of the Commercial developments on Millenium Way which will introduce further traffic movements along Moss Lane.
