Statement of Reasons

The purpose of this scheme is to support the improved amenity in Nelson Town Centre, with improved pedestrian and cycle access and linkage across Nelson. All the proposals will work together to create a safer environment for pedestrians, cyclists, and vulnerable users. It is hoped this will give confidence to encourage more users to consider commuting via non-motorised means and this will improve health and air quality for the residents of Nelson.

These proposals include the removal and subsequent relocation of one existing Bus Stop Clearway and introduction of two Bus Stop Clearways to prioritise bus services and encourage the use of public transport.
