

Duddle Lane
Traffic Calming and Bus Stop Clearways

STATEMENT OF REASONS

Speed Cushions:

Concerns have been raised by local residents with regards to vehicles travelling at speeds in excess of the designated 20mph speed limit along Duddle Lane

To alleviate those concerns, it is proposed to introduce a series of speed cushions to help slow down vehicles travelling through Duddle Lane. Resurfacing and a refreshed centreline is also proposed as part of the calming measures.

The proposals will aim to making a safer environment for all road users and pedestrians.

Bus Stop Clearways:

It is proposed to introduce Bus Stop Clearways to eliminate the obstruction caused by parked vehicles at the kerbside, thereby enhancing the efficiency and reliability of bus journeys.

The aim of the proposals are to ensure the safe movement of both vehicles and pedestrians, while also establishing bus stops that comply with the Equality Act (2010).
