Statement of Reasons

Introduction of a new bus stop location.

The purpose of this proposal is to remove the existing bus stop and introduce a new bus stop clearway on Black Bull Lane (19m Length), to a more suitable location to enable buses to align correctly, safely and efficiently at the stop and allow for effective enforcement.

The proposal also includes the construction of a raised boarding platform ensuring safe boarding and alighting of passengers.

Proposal for reducing a bus stop clearway on Black Bull Lane

The purpose of this proposal is a reduction of the existing bus stop clearway by 3 metres on Black Bull Lane.

New bus stop clearway will be 27m length.

This will allow the buses to pull in and out safely to align with the equality boarding points, also the revised restriction will allow effective enforcement to maintain such manoeuvres.
