

Statement of Reasons

Zebra crossing

Hall Gate Lane, Stalmine

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to the new housing development on Carr End Lane and associated planning conditions.

The purpose of the proposed Zebra crossing is to provide a safe crossing point for pedestrians to promote sustainable travel and promote social inclusion. The proposal seeks to mitigate against the increase in traffic and pedestrian movements generated by the new development.
