

Statement of Reasons

Bus Stop Clearways

Chorley Lane, Charnock Richards

It is proposed to relocate the existing north bound bus stop to a new location further north and introduce a new south bound bus stop.

The proposed Bus Stop Clearways support the upgrade of the new and relocated stops to quality bus stops allowing the buses to pull in and out safely and allow for effective enforcement.

A raised boarding platform will be installed to ensure safe boarding and alighting of mobility impaired passengers and ensure the bus stops are fully mobility compliant. The north bound bus stop will also have a shelter

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to planning application 21/00327/FULMAJ for 76 new dwellings and associated planning conditions.
