

Statement of Reasons

No Waiting At Any Time

Charter Lane, Charnock Richards

The purpose of the proposed No Waiting at Any Time restriction along Charter Lane and Lily Avenue is to protect sight lines and ensure the safe movement of public transport by restricting the parking near the access.

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to planning application 21/00327/FULMAJ for 76 new dwellings and issues raised as part of the Road Safety Audit.

Reasons under Section 1 of the RTRA

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
