### Key Features

|                               |                                                                                                                          |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>Named Adviser</b>          | Assigned in consultation with the school; experienced former headteachers.                                               |
| <b>Adviser Days</b>           | Five flexible days tailored to school priorities.                                                                        |
| <b>All-Year Support</b>       | Phone and email access, with cover during adviser absence.                                                               |
| <b>Ofsted Support</b>         | Adviser available during inspections, including inspector discussions and feedback.                                      |
| <b>Emergency Response</b>     | Immediate support for critical incidents.                                                                                |
| <b>Access to Services</b>     | Adviser-coordinated escalation to HR, Finance, Safeguarding, etc.                                                        |
| <b>Leadership Solutions</b>   | Support in brokering temporary senior leadership.                                                                        |
| <b>Wellbeing Focus</b>        | Dedicated attention to staff and leader wellbeing.                                                                       |
| <b>Forums &amp; Briefings</b> | Free termly Headteacher/Deputy forums, Small School Headteacher Network Meetings, plus SEND, EYFS, and Ofsted briefings. |
| <b>Resources Access</b>       | Exclusive SISG online area with publications and updates.                                                                |
| <b>CPD</b>                    | CPD discounts.                                                                                                           |
| <b>Conference Access</b>      | Discounted places at “24 Hours in Leadership” conference.                                                                |
| <b>Tailored Support</b>       | Bespoke advice and challenge based on school context.                                                                    |

## Trusted Support for Primary School Improvement

The Lancashire School Improvement Service Guarantee (SISG) offers maintained primary schools a comprehensive, responsive and personalised support package designed to strengthen leadership, improve teaching, and raise outcomes for children.

### Why Schools Choose SISG:

- Bespoke advice rooted in deep understanding of your school
- Honest, reflective challenge and support
- Proven impact on leadership confidence and school improvement
- Seamless access to wider Lancashire expertise
- A service that adapts to your needs and is always there when you need it

**Cost:** £3300 per school (April 2026 – March 2027)

**Collaborations:** Bespoke pricing available for federations or partnerships
