

Stourton Street, Rishton Bus Stand - MODIFICATION

Statement of Reasons

Following concerns raised during formal consultation between 26 September and 24 October 2025, it is proposed to modify the previously advertised bus stand on Stourton Street, Rishton.

A number of concerns from residents regarding the loss of space for vehicle parking were received, and it is proposed to now reduce the hours of operation from 08:00am-6:00pm to 08:00am – 4:30pm.

The revised measure is intended to allow routine school bus services to operate but enable the space to become available for residents returning home from work.
