

Pathway to support your pre-school children to get ready for school for nurseries and childminders

START HERE

1

I've ensured that all pre-school practitioners have accessed the school readiness instant access training [Training and information for all early years settings - Lancashire County Council](#)

I've accessed and used the information on the website and shared this with parents [Getting ready to start school - Lancashire County Council](#)

2

3

I've completed the teams form to highlight all children who might need extra support to settle when they start school.

4

I've completed the pre-school transition information and shared it with the children's new school.

5

I've shared stories with children to promote positive messages about starting school.

6

I've shared the 'What to expect in the Early Years Foundation Stage' document with families [What-to-expect-in-the-EYFS-complete-FINAL-16.09-compressed.pdf](#)

7

I've told parents about what support is available from their local Family Hub [Lancashire Family Hubs Network - Lancashire County Council](#)
