

**High Road, Halton**  
**Limited Waiting Bay**

**STATEMENT OF REASONS**

It is proposed to introduce a 20 minute limited waiting restriction that will help provide loading and parking opportunities for the new nursery during their opening hours so that this does not have a significant impact on parking for residents over night

The proposed restrictions will prevent vehicles from being parked for extended periods in a high demand area and also improve safety.

These proposals are associated with a planning approval for the nursery.
