

Accessible Nelson **Charles St NWAAT**

STATEMENT OF REASONS

The purpose of this scheme is to support the improved amenity in Nelson Town Centre, with improved pedestrian and cycle access and linkage across Nelson. All the proposals will work together to create a safer environment for pedestrians, cyclists, and vulnerable users. It is hoped this will give confidence to encourage more users to consider commuting via non-motorised means and this will improve health and air quality for the residents of Nelson.

Following formal consultation and in response to feedback received it is proposed to make a modification to remove the proposed No Waiting at Any Time restrictions on Charles Street.
