

Haydocks Lane Cottam

20mph Speed Limit

Statement of Reasons

The purpose of this proposal is to enhance safety for all road users, it is proposed that the existing 20mph speed limit on Haydocks Lane be extended beyond the newly constructed car park entrance serving Cottam Primary School. This extension will help protect pedestrians, cyclists, and drivers accessing the site.

The new car park entrance off Haydocks Lane is being built as part of the redevelopment of Cottam Primary School.
