Dear Sir/Madam,

Wray and District Flood Disaster

Service of Thanksgiving and Blessing of the new Homes

Saturday 5th October, 1968

The Trustees are delighted that your Organisation has been able to accept our invitation to attend the above Service.

I enclose:-

Ticket(s)

Car label

Plan of village and recommended route.

As you are already aware the Service is to be held in a Marquee to be erected on the Church Field, and will commence at 3.00 p.m. You are asked to take your seats not later than 2.50 p.m. Refreshments will be served in an adjoining marquee at the close of the Service and of course there will be no charge.

Unfortunately we cannot guarantee a fine day, nor even a preceding fine week. You are asked, therefore, to bear in mind that it may be colder than is hoped and possibly the grass may not have dried out.

Unless there is considerable rain during the week there should be no difficulty in keeping to our proposals to park cars on the Church Field and an adjoining field, but if this is not practicable the Police will supervise street parking, and you are asked to follow their instructions. If you travel by bus you may find it more convenient to reach the Field by means of the footpath off Main Street through the Archway which will be signposted.

The colour of your ticket will denote the section of the Marquee to which you have been allocated, and may take any seats within that section. Stewards will be available to assist you.

Approximately 400 people will be attending in addition to local residents, and we look forward to your joining us on what should be a memorable occasion.

Yours faithfully,

John A. Hallsworth
for Trustees.
