

## Supplementary statement to Lancashire Health and Wellbeing Board's Pharmaceutical Needs Assessment

Date Pharmaceutical Needs Assessment published – October 2025

The Regulations state that supplementary statements can provide updates to the Pharmaceutical Needs Assessment (PNA) only in relation to changes in the availability of pharmaceutical services. Supplementary Statements cannot provide updates on pharmaceutical need. This can only be achieved through a review of the PNA. The following pharmaceutical services currently contained within the PNA have been identified as needing updating. This updated information supersedes some of the original information within the PNA and should be read in conjunction with that document.

### Consolidation of two pharmacies into one

Pharmacy	ODS	Effective from
Closing: Prestford Limited t/a Everest Pharmacy - Peel Street 13-17 Peel Street Accrington Lancashire BB5 1EA	FXQ05	16.03.26
Remaining: Prestford Limited t/a Everest Pharmacy – Accrington 1A Paradise Street Accrington Lancashire BB5 2EJ	FAD69	16.03.26

It is the opinion of the Lancashire Health and Wellbeing board that the removal of this pharmacy from the pharmaceutical list does not create a gap that could be met by an application offering to meet a need for, or secure improvements or better access to, pharmaceutical services.

Supplementary Statement prepared by Lancashire County Council Business Intelligence and issued by Dr Sakthi Karunanithi, Director of Public Health, on behalf of Lancashire Health and Wellbeing Board.
