

Memorandum

From	Doug Moir	To	Jonathan Haine
Extension			
Our Ref	23_0030-LCC.DM 2	Your Ref	LCC/2023/0030
Date	30 th December 2024		

Application: LCC/2023/0030

Proposal: The extraction and processing of sand and gravel including the construction of new site access roads, landscaping and screening bunds, minerals washing plant and other associated infrastructure with restoration to leisure end-uses, agricultural land and biodiversity enhancement, using imported inert fill

None of the further information submitted relates to the potential archaeological interest of the proposed development site, which is still considered to be low, and the HET's advice therefore remains the same as that made in our memo of 12/10/2023.

Thank you for your consultation
