

**NOTICE OF PROPOSAL**  
**LANCASHIRE COUNTY COUNCIL**  
**(HIGH STREET, RISHTON, HYNDBURN BOROUGH)**  
**(REMOVAL AND INTRODUCTION OF BUS STOP**  
**CLEARWAY (2500159 + 250012993))**

NOTICE IS HEREBY GIVEN that Lancashire County Council propose the following:

- 1) Remove a bus stop in High Street, Rishton, the north side, from a point 13 metres west of its junction with the Centreline of Spring Street.
- 2) Introduce a Bus Stop Clearway at any time (the effect of which will be to prohibit the stopping of vehicles) in the following lengths of road:
  - a) High Street, Rishton, the south side, from a point 5 metres east of its junction with the Centreline of George Street for a distance of 13 metres in an easterly direction;
  - b) High Street, Rishton, the north side, from a point 14.7 metres west of its junction with the Centreline of Commercial Street for a distance of 25 metres in a westerly direction.

**Statement of Reasons**

This proposal is to support the implementation of accessibility improvements at bus stops within the East Lancashire area. These improvements form part of a wider initiative to provide safe and suitable boarding and alighting facilities for all passengers, including wheelchair users, pushchair users, and individuals with restricted mobility who rely on public transport services.

The introduction and alteration of Bus Stop Clearway markings are necessary to ensure that stopping areas remain free of parked vehicles. Vehicles parking within or adjacent to bus stops can obstruct bus manoeuvring space and limit forward visibility, creating additional difficulties for drivers and for visually impaired passengers. The proposed clearways will therefore provide unobstructed access for buses and support safe and efficient passenger movement.

Where required, additional infrastructure such as bus shelters and raised boarding platforms will be installed to enhance safety, comfort, and accessibility at the stops.

**RISHTON, Roebuck Inn (adj) Stop ID 2500159; and**  
**RISHTON, Roebuck Inn (opp) Stop ID 250012993**

**This proposal will:**

- a) Upgrade the existing bus stop to a Quality Bus Stop Clearway on the south side, ensuring buses can pull in and out safely and consistently.
- b) Remove the existing bus stop on the north side and introduce a new Bus Stop Clearway in a more suitable location enabling improved alignment and safer operation.

The implementation of the Bus Stop Clearway will ensure that appropriate enforcement measures can be undertaken, thereby improving compliance and delivering benefits for all road users, including pedestrians.
