Hi Francesca.

Further to our recent phone conversation I wish to confirm that I am still very much prepared to support the order for a footpath to be added to the Definitive Map as per my application.

Furthermore, you have my permission to pass on my relevant contact details to the Planning Inspectorate in order for them to contact me direct, if they so wish.

Kind regards
S. Foster

Hi Steve

Further to our phone call earlier, please would you be able to confirm via email that as applicant you are still prepared to support the Order and to be a point of contact that we can pass to the Planning Inspectorate.

Kind regards
