

## **Statement of Reasons Main Road Galgate 30mph Extension**

Following consultation between 25 April 2024 and 23 May 2024 Lancashire County Council are readvertising the proposals to reduce the 50mph speed limit along Main Road reverting the section of road around the new access to 30mph by virtue of street lighting, due to the time limit expiring.

A new access is to be constructed onto Main Road Galgate. In order to reduce the speed of vehicles approaching the new junction, the 30mph speed limit location requires relocating northwards.

The proposals are being pursued as part of a **s278** Agreement under the Highways Act 1980 as part of a new development which will introduce further traffic movements.
