

Willows Lane Accrington

Statement of Reasons

No Waiting At Any Time Restriction

The purpose of this proposal is to introduce new prohibition of waiting restrictions to prevent obstructive parking behaviour, especially around the site of the pedestrian crossing points.

The proposals will allow for the safe access and egress to Miller Fold Avenue and help to maintain visibility along Willows Lane, ensuring the safe movement of traffic and pedestrians.

The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of a new residential development.

REASONS UNDER Section 1 of the RTRA

- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- (f) for preserving or improving the amenities of the area through which the road runs.
