I think that...

My view on this is...

I agree with... because

I think the same as... because

The reason I agree with... is...

I have the same opinion as... because...

I agree with... because and would like to add...

In addition to... I think...

Another point to consider is...

It's also important to remember...

I would like to challenge... by asking/saying...

I have a different point of view to... because I think...

I disagree with... because...
