Further to your letter of 17/3/25 I can confirm that I give permission for an inspector to access our land in order to inspect the route of Order 2023.

Can you please advise me of the date and time that this inspection will be carried out and whether they will need to access the school field or just the path adjacent to the field.

Good afternoon,

Thank you for your email providing permission for the inspector to access the land to inspect the route.

An inspector will be appointed after the Order has been submitted, so I cannot say when the inspection will be.

I can make a request for the case officer to contact you to discuss the specific details of the inspection, once the order has been submitted, if you would like me to.

Kind regards
