

**Blackburn Road, Higher Wheelton**

**Bus stop clearway modification**

**Statement of Reasons**

**Bus stop clearway relocation.**

The purpose of the proposal is to upgrade the existing bus stop to a quality bus stop clearway. This is to allow the buses to pull in and out safely and allow effective enforcement. A raised boarding platform will also be installed to ensure safe boarding and alighting of passengers.

Having considered objections and feedback from residents on Blackburn Road, Higher Wheelton, it is proposed to amend the original proposal. This adjustment is needed so we can move the bus stop clearway further south west of its location so we can preserve resident parking in the vicinity.
