

Following feedback during formal consultation that runs from 4 June-2026 and 3 July-2026, it is now intended to modify the consulted proposals by removing reference to “The Orchard”, as listed in item (e) of Schedule 3.

STATEMENT OF REASONS

Having considered the feedback received during the formal consultation process, a review of the locations included within the Order was undertaken. This review identified an administrative error, whereby “The Orchard” was incorrectly included as a separate length of road within the proposed 30mph speed limit.

Further assessment confirmed that the properties located on the private road off Spen Lane, locally known as “The Orchard”, have postal addresses registered under Spen Lane. As Spen Lane is subject to a 30mph speed limit by virtue of street lighting, it is not necessary for “The Orchard” to be separately referenced within the Order.
