

Gisburn Road Barnoldswick

Statement of Reasons

No Waiting At Any Time Restriction

The purpose of this proposal is to introduce new prohibition of waiting restrictions to prevent obstructive parking behaviour, especially around the site access for the nursery and pedestrian crossing points.

The proposals also seek to amend the Traffic Regulation Order to match the existing No Waiting road markings from the junction of Cornmill Terrace in a south easterly direction. These have been present on site for a number of years but with no corresponding time plate. The restriction is intended to align with existing no waiting restrictions in the surrounding area, allowing for effective enforcement.

The proposals will allow for the safe access and egress to the Nursery and help to maintain visibility along Gisburn Road allowing the safe movement of traffic and pedestrians.

The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of a children's nursery.

REASONS UNDER Section 1 of the RTRA

- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or
- (f) for preserving or improving the amenities of the area through which the road runs.
