Statement of Reasons

30mph speed limit order

Newlands Rd.Lancaster

The purpose of the proposed 30mph speed limit is to improve the safety of motorised and non-motorised users, mitigating against additional traffic flows and pedestrian movements from new housing development.

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to the new housing development and associated planning conditions.
